## **TESTIMONY**

### **Romans 8:28 (New International Version, ©2010)**

And we know that in all things God works for the good of those who love him, who [\[a\]](#) have been called according to his purpose.

The Men's Retreat was held October 22-24, 2010. This was a three day retreat at the Faholo Center in Grass Lake MI. Many were touched, and lives changed at this event. The Women's Retreat was held November 6, 2010 at Zion church in Troy, MI. This event blessed many women and prayers were answered. The women were asked to cast their worries on a balloon and cast it toward the heavens as a way of releasing their problems to God.

## **UPCOMING EVENTS:**

We are looking forward to all the events and gatherings that are being planned for 2011. It is important that we all participate and work together for the good of the Lord and our ministry. Please let the office know of upcoming events as they are planned so the we may put them on our website and work with you and your groups.

### **Matthew 18:20 (New International Version 1984, ©1984)**

For where two or three come together in my name, there am I with them."

## **PRAISE REPORTS:**

I am grateful and abundantly blessed to have attended the annual Praise fest this year on November 23, 2010 at the Metropolitan Baptist church. And to see district officers and people with a range of clean from 30 to 3 days come together and celebrate our redeeming and liberating Christ was a moving experience. Just as drug and alcohol addictions cross every strata, culture, class, race, and gender bringing with it sickness, institutions, and death; recovery made possible by Christ brings wellness, voluntary memberships, and life.

i am a member of the Lighthouse Alcoholics for Christ meetings and we are the new kids on the block just starting in July of this year 2010. We ask for your prayers as we seek to be a lighthouse to those who have lost their way on the storm tossed sea of life and are shipwrecked by addictions to find safe harbor and refuge in Jesus Christ. we are grateful for those who helped us in the initial formation of the group; Jesse Washington, John Davis, and Mike Riley. Brother C. L. Peete and Sister Rhonda Peete are providing the group with excellent leadership and are good stewards over the work god has committed to their hands. We look forward to the men's retreat 2011 and praise fest. Remember only what you do for Christ will last.
